May 11, 2020

Dear AIC,

You are receiving this letter because the Department of Corrections (DOC) has received an Economic Impact Payment (EIP) check in your name from the Internal Revenue Service (IRS).

Please be aware that when the Department of Corrections receives any Economic Impact Payment (EIP) directly from the United States Internal Revenue Service, the Department of Corrections will return the EIP to the United States Internal Revenue Service. On May 6, 2020, the United States Internal Revenue Service (IRS) recently issued guidance stating that incarcerated persons are not eligible for EIPs and that payments should be returned to the IRS. Based on that guidance, we are returning any EIPs that the Department receives to the IRS.

Please note the Department of Corrections cannot provide any legal advice or guidance regarding the eligibility of an AIC or an AIC’s family members for an EIP.

Sincerely,

Central Trust
